WORK SESSION ITEM \_\_\_\_\_

**TO:** Mayor and City Council  
**FROM:** Chief of Police  
**SUBJECT:** Acceptance of Grant from Department of Alcohol Beverage Control

**RECOMMENDATION:**

It is recommended that Council adopt the attached resolution accepting a grant from the State to implement a program to reduce underage drinking and alcohol sales to minors.

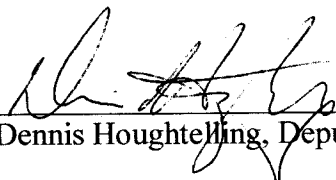

**BACKGROUND:**

The Department of Alcoholic Beverage Control recently announced the award of a grant for \$100,000 to the Hayward Police Department for the purpose of implementing an Alcoholic Beverage Control Program. The primary focus of the Program will be to address issues related to underage drinking and alcohol sales to minors. The grant will fund one Police Officer position that will be dedicated to the program and also provides funds for equipment necessary to conduct undercover and decoy operations.

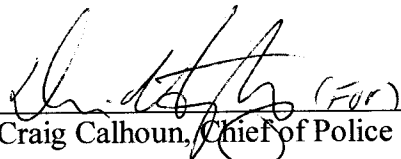

The implementation of this program will include decoy/undercover operations, enforcement and education. In particular, decoy/undercover operations will address alcohol sales to minors. The program will also contain a community awareness component, which will focus on youth and the dangers associated with the use of alcoholic beverages. Additionally, the Hayward Police Department will collaborate with Cal State Hayward to address underage drinking and sales of alcohol to minors on and around the college campus.

The grant funding is for a full one-year period beginning in January 2003. The grant will fund 100% of employee services during this period.
